

Sample questions for annual learning conversation with Point32Health Foundation:

1. What were the **highlights** this year?
2. What were the **lessons learned** (challenges and successes)?
3. What are the **strategic questions** (large or small) you are wrestling with right now?
4. Who are the most **relevant or meaningful partners** that help you advance your mission? What were the outcomes of your **collaboration**? What did you learn?
5. How did **community inform and engage** in your work compared to your plans?
6. How did your work impact the **people, organizations, and communities** you are trying to serve?
7. Did this grant help **generate additional resources**?
8. What can the Foundation **do better or differently** (beyond funding)?
