Building healthier communities

Our Foundation works with the community to support, advocate and advance healthier lives for everyone. These are some of the community organizations in Maine that received support from our Foundation.

- **Cumberland County Food Security Council** for expanding Halal School Meals Network model to make nutritious food available in Portland, South Portland and Westbrook public schools. Harvest, package and transport gleaned produce from farm to community agencies through Cumberland County Gleaning Initiative.
- **Maine Women's Lobby Education Fund** for increasing community engagement and public education
- **In Her Presence** for building community and social connection by supporting older adult women to lead initiatives across communities and generations
- **Healthy Peninsula** for enhancing and coordinating the Bridging Neighbors initiative, which uses volunteers to provide orientation, navigation, advocacy and social connection to older adults for improved access to and awareness of resources that support well-being
