Building healthier communities

Our Foundation works with the community to support, advocate and advance healthier lives for everyone. These are some of the community organizations in New Hampshire that received support from our Foundation.

- **Partnership for Public Health** to strengthen WellnessLink, a statewide and centralized public health hub, so older adults, caregivers and families have the information and resources needed to build connections and age well
- **New Futures** for supporting community engagement, policy analysis and strategic communication to influence the implementation of the state's newly established System of Care for Healthy Aging. Support for New Futures to serve as lead for policy priorities developed by the New Hampshire Alliance for Healthy Aging.
- **New Hampshire Hunger Solutions** for enrolling more older adults in federal nutrition programs by advancing the Elderly Simplified Application Project and increasing awareness of hunger and community solutions in N.H. Advocate, support and build food access coalitions to address hunger at the state, local and national levels.

**21 New Hampshire
organizations received
grants totaling
\$986K+**

- **NAMI New Hampshire** for improving the lives of older adults and caregivers affected by mental illness and suicide through support, education and advocacy
- **Gather** for expanding fresh food distribution and reducing hunger in the Greater Seacoast Region of New Hampshire
