# Supporting healthier lives for everyone (continued)

Here are some of the ways we helped advance community health in Rhode Island.

- Supported immunization clinics and health fair at **Blackstone Valley Community Health Center** to improve health and wellness in the community
- Supported back-to-school and Thanksgiving events to support health needs of the community, as well as cultural events with the **City of Central Falls**
- Fostered community connections, increased food security and drove economic growth in RI through sponsorship and presence at **Farm Fresh** events
- Sponsored a van to help **Jenks Park Pediatrics** patients and families get to and from medical appointments
- Supported **Project GOAL** program combining soccer and academic performance; two futsal courts in Central Falls

Our Foundation works with the community to support, advocate and advance healthier lives for everyone. These are some of the community organizations in Rhode Island that received support from our Foundation.

- **Rhode Island Food Policy Council** for increasing nutrition security by growing and strengthening council network; advocating for policies to increase access to affordable, healthy food; and supporting a sustainable food system

- **Southside Community Land Trust** for creating a more equitable and sustainable local food economy through community-led programming, mentorship, technical assistance to small farm businesses and advocacy for policies that affect urban farmers.
- **NAMI Rhode Island** for increasing awareness of NAMI R.I. programs, educating the public on mental illness, offering resources and support to all whose lives are affected, and advocating to ensure the rights and dignity of people with mental illness
- **Crossroads Rhode Island** for supporting their Advance House First model which ensures timely, stable housing placements and provides supportive services including case management, education and employment services
