

## Sponsorship Requests

To be considered for support, requests must be submitted through our online system, CyberGrants. Please follow this requirement as it allows us to better gauge all the needs and opportunities in the communities we serve. Requests are accepted year-round.

A link to our online application is included here for your convenience.

<https://www.cybergrants.com/point32health/sponsorshiprequest>

If you already have an account, please log-in with your username and password on CyberGrants to submit your request. If the person who originally set up your organization's account is no longer there, please [contact us](#) to re-set your log-in.

If you are a first-time user, you will be required to create a new account and can do so by clicking the "Create your password" option in CyberGrants.

Please contact [Sponsorships@point32health.org](mailto:Sponsorships@point32health.org) with any questions.

**Please note:** Point32Health Foundation's online grants portal, CyberGrants, implemented multi-factor authentication (MFA) as an additional layer of security for their system. If you are logging into your account for the first time (or after 9/22/2025), you will be asked to establish multi-factor authentication.

Please refer to this guide for assistance:

<https://help.bonterratech.com/cybergrants/s/article/What-is-Multi-Factor-Authentication-for-Apply-Online-Grantseekers>

There's also an MFA support line if you need additional help: **1 (888) 835-9207**.
