# Supporting healthier lives

## Nearly \$100K to 53 Connecticut nonprofit organizations through employee giving programs

Point32Health volunteers supporting H.O.P.E. Partners of Farmington.

Employee support for Connecticut nonprofits also includes:

- **Additional match program resources (\$112K+) to national organizations** that allocate funds to nonprofits in the states where we do business.
- **394 volunteer hours, valued at \$15K+**, with Connecticut nonprofits.
- **More than \$2.1M since 2012 to the Alzheimer's Association** from our Walk to End Alzheimer's team; our total fundraising places us among the **top 20 teams in the country.**

Our Corporate Citizenship and community relations programs support nonprofit organizations addressing the social and economic factors affecting everyone's health and well-being. Examples:

- **Boys & Girls Club of Hartford** | Hartford
- **City Seed** | New Haven
- **Community Renewal Team** | Hartford
- **Cove Center for Grieving Children** | Cheshire
- **Connecticut Foodshare** | Wallingford
- **For All Ages** | Simsbury
- **Keney Park Sustainability Project** | Windsor
- **Services for the Elderly of Farmington** | Unionville
- **Shoreline Eldercare Alliance** | Branford

# Building healthier communities

Our Foundation works with the community to support, advocate and advance healthier lives for everyone. These are some of the community organizations in Connecticut that received grants from our Foundation.

The [Connecticut Healthy Aging Data Report](#), released in 2025, reveals community strengths and challenges to inform targeted interventions across the state. The report, produced by UMass Boston Gerontology Institute researchers, was funded by Point32Health Foundation and engaged key stakeholders to contextualize findings.

- **Connecticut Council for Philanthropy** to advance community building through supporting organizing work statewide.
- **Connecticut Oral Health Initiative** to advance healthy aging collaborations.
- **PT Partners** to advance housing and healthy aging collaborations.
- **The Arc Connecticut** for advocating for policies that ensure people with intellectual, developmental and neurodiverse disabilities live their best lives in communities of their choice.
- **Urban Alliance CT** to identify eligible caregivers as they care for loved ones, connect them to state and national resources, and provide necessary training and other needed assistance by supporting the Caregiver Outreach Program.
