Supporting healthier lives

\$1.3M to 500+ Massachusetts nonprofit organizations through employee giving programs

Point32Health volunteers at Community Harvest Project.

Employee support for Massachusetts nonprofits also includes:

- **Additional match program resources (\$112K+) to national organizations** that allocate funds to nonprofits in the states where we do business.
- **9,329 volunteer hours, valued at nearly \$392K**, with Massachusetts nonprofits.
- **More than \$2.1M since 2012 to the MA/NH Chapter of the Alzheimer's Association** from our Walk to End Alzheimer's team; our total fundraising places us among the **top 20 teams in the country**.

- **More than 100 colleagues** participated in a Polar Plunge to raise money for **Special Olympics Massachusetts (SOMA)**. With a match from Point32Health Foundation, **\$41,000 was contributed to support SOMA's mission**. Our support also includes leadership on the SOMA board, year-round volunteering and the Tufts Health Plan Healthy Hero Award presented quarterly to a SOMA athlete.

Supporting healthier lives (cont.)

Our Corporate Citizenship and community relations programs support nonprofit organizations addressing the social and economic factors impacting everyone's health and well-being. Examples:

Point32Health volunteers at South Shore Stars.

- **Riverside Community Care** | Dedham
- **Schwartz Center for Compassionate Care** | Boston
- **Victory Programs** | Boston

Building healthier communities

Our Foundation works with the community to support, advocate and advance healthier lives for everyone. These are some of the community organizations in Massachusetts that received grants from our Foundation.

The [Massachusetts Healthy Aging Data Report](#), released in 2025, reveals community strengths and challenges to inform targeted interventions across the Commonwealth. The report, produced by UMass Boston Gerontology Institute researchers, was funded by Point32Health Foundation and engaged key stakeholders to contextualize findings.

- **Alter Dementia** for leveraging existing trust and structure within Boston area faith communities to strengthen community-based dementia education and care models.
- **Gardening the Community** for advancing food justice, positive youth development, urban agriculture and sustainable living in Springfield, Mass.
- **SeniorCare** for expanding Dementia Friends and age-friendly training to organizations throughout nine North Shore communities.
- **The New Commonwealth Fund** for capacity building for nonprofit leaders to grow their skills in leadership, fundraising and overall confidence.
- **Way Finders** for working to enrich the lives of older resident advocates and their families in Springfield and Holyoke through advocacy and community building.

59 Massachusetts organizations received grants totaling

\$4M+
